Subject: Request for Proclamation from the District of Taylor

To Whom It May Concern,

As you may already be aware, epilepsy is one of the most common neurological conditions, however, it currently has the least recognition in society.

My name is Deirdre Syms, and I am the Executive Director of the BC Epilepsy Society, which is a provincially incorporated non-profit organization and a federally registered charitable organization. We support the over 50,000 people living with epilepsy in BC and their families, friends and loved ones and work to raise awareness of epilepsy in the communities in which we live.

We are excited to let you know that International PURPLE DAY® for Epilepsy Awareness is coming up and will be taking place on March 26th, 2024. International PURPLE DAY® for Epilepsy Awareness is a time when people in countries around the world take part in events and activities to raise much-needed awareness of epilepsy.

We would like to request a Proclamation from the Mayor and Council designating March 26th, 2024, as International PURPLE DAY® for Epilepsy Awareness in the District of Taylor. Included with this email correspondence is a document outlining our draft Proclamation.

Through your participation in International PURPLE DAY® for Epilepsy Awareness on March 26th, 2024, you will not only be able to show people living with epilepsy that they are not alone but will also get people talking about epilepsy in an effort to raise awareness of epilepsy in the community.

We look forward to working with you on International PURPLE DAY® for Epilepsy Awareness on March 26th, 2024, and in the future. Please feel free to contact me via email at [REDACTED] or via telephone at [REDACTED] should you have any questions or require any additional information.

Sincerely,
Deirdre Syms
Executive Director
BC Epilepsy Society

Proclamation

Purple Day March 26, 2024

- Whereas:** Purple Day is celebrated on March 26 annually, during Epilepsy Awareness Month, to increase the knowledge and understanding of epilepsy in the community;
- Whereas:** Purple Day was founded in 2008 by Cassidy Megan, a nine-year-old girl from Nova Scotia, who wanted people living with epilepsy that they were not alone;
- Whereas:** On Purple Day, people in Communities around the world are encouraged to wear purple and host events in support of epilepsy awareness;
- Whereas:** There are over 50,000 people in British Columbia, over 380,000 people in Canada and over 65 million people worldwide living with epilepsy;
- Whereas:** The onset of epilepsy can occur at any stage of life and does not discriminate against age, gender, race, ethnicity, religion, socioeconomic status, geographic location, or sexual orientation;
- Whereas:** Purple Day can improve the quality of life of people living with epilepsy, create a society that embraces the beauty of difference and help us understand how we can all come together to make the world a better place;

NOW, THEREFORE, I, Brent Taillefer, Mayor of the District of Taylor
of the Province of British Columbia, Canada,
do hereby proclaim March 26th, 2024 as "Purple Day"
for the BC Epilepsy Society this 26th day of February 2024

Brent Taillefer
Mayor
