

# Proclamation

WHEREAS, Hospice Palliative Care Month is focused on raising awareness and recognizing that everyone should have access to quality end-of-life care;

AND WHEREAS, the South Peace Hospice Palliative Care Society is comprised of a large number of volunteers that provide direct and indirect hospice palliative care services to those individuals living within Dawson Creek;

AND WHEREAS, member organizations collectively reflect the entire Hospice Palliative Care continuum, from patients who are dying and still living within their homes to those who are dying in hospitals;

AND WHEREAS; the South Peace Hospice Palliative Care Society seeks to ensure that hospice palliative care for patients and their families is integrated and of high quality and believes that this can be achieved through commitment, awareness and partnerships;

NOW THEREFORE, I do hereby proclaim May 2024 as Hospice Palliative Care Month.
